HILLSIDE RESIDENCES

OVERVIEW

Detached House

DESCRIPTION

THE PROJECT

Hillside Residences is a modern development of two detached housing units in one of the most demanding locations of Limassol. Nicely designed, the houses offer comfort for families who appreciate practicality and clean layouts. All required amenities can be found within a short-distance drive.

All houses are built following all health and safety and structural standards. The design of each house has been carefully thought through, each has at least three bedrooms and bathrooms, a spacious terrace and space for a swimming pool if you so desire. All open-plan kitchen/dining rooms are connected to the veranda.
