OVERVIEW

Limassol, Agia Fyla

Apartment Building

Cambridge Plot

DESCRIPTION

For sale off plan in the desirable area of Agia Fyla, this modern development offers a unique opportunity to own a brand-new home in a growing community. Agia Fyla is well-known for its peaceful atmosphere, making it a popular choice for families and professionals alike. The area features easy access to main roads, reputable schools, shops, and a range of everyday conveniences.

Designed with comfort and sustainability in mind, each home will boast an energy efficiency class A rating. Expect smart layouts, excellent insulation, and quality materials that keep energy costs low while maintaining comfort throughout the year. Spacious interiors, well-planned balconies, and parking spaces create a functional living environment that blends style with practicality.

This off plan project allows buyers the chance to personalize certain features and layouts, making your new home truly your own. Don't miss out on this special opportunity to live in one of Agia Fyla's most promising neighborhoods. For more information and to explore floor plans, contact Kaleide Group today.
